EUROPEAN
MISSION
FELLOWSHIP

OCTOBER 2021

Prayer Highlights

Church planting is hard work. It is also exciting, because any growth in gospel work is good news. It usually means believers are taking seriously the command to spread the wonderful message of hope in Jesus Christ. It means that more people who have never heard that message are given the chance to come into contact with true Christians, perhaps for the first time in their lives.

Krzysztof Rutkowski and his wife Aneta head up a church plant project in the Polish town of Włocławek. You will be encouraged by their story. Read our article: *Building a new church with twenty six Poles.*

Summer camps and children's activities are features of evangelistic effort across Europe, especially during the summer. We have had great reports of how children's camps have been truly blessed this year, with leaders and children trying to get back to some kind of routine in these Covid days. This is one such story, which is all about what the Lord is doing in Moldova, the poorest country in Europe,

where Mihai and Irina Chisari have a remarkable ministry among the children of Chisinau, the nation's capital. Find out in our article: *Narnia Revisited.*

Missionary Focus

This month we're delighted to be able to share an introductory video about one of our new EMF missionaries, **Romuald Lasnes**, who was studying at London Seminary but has just begun work in the evangelical church in La Garenne-Colombes in Paris, working as trainee pastor under pastor Keith Butler.

Please pray:

- For the church's witness to people in the local area of about 30,000 people, many of whom are Roman Catholic but never heard the gospel.
- For the up-coming church weekend away on 15th October – where they will be thinking about church planting and about their witness.
- For Romuald as he settles into his role in the church, and that he would be able to find somewhere nearby to live.
