Prayer Highlights

Back in the late 1970's, E.M.F. missionary Jean Pleasence (now Jean Woods) was involved in the setting up of a branch of Evangelical Press in Spain. This publishing house, which later became independent, is called Editorial Peregrino, and is headed up by E.M.F. missionary Matt Hill. In this article, Andy Woods, tells us what he has discovered about the complexities of publishing a Christian book in Spain

(with similar issues being faced in Poland, where Krzysztof Rutkowsky directs the work of the Legatio publishing house). To read more, visit our website.

'Tent-Making' in Germany! Tim and Deb Brooks have been in Utzenfeld for over twenty years now, and run Haus Barnabas, a Christian guest

house. Utzenfeld is a small village in the Black Forest area of Germany, with a little over 600 people living there; the area is predominately Roman Catholic. The ministry at Haus Barnabas involves the proclamation of the Gospel through preaching, literature, and personal witness. To read more, visit our website.

Missionary Focus

Our focus this month is on new EMF Missionaries, **Manuel and Pauline Redondo**, who are due to start their work in the evangelical church in Barcelona in January 2022. Manuel is from Barcelona but Pauline is from London, and she'll be learning both Spanish and Catalan as they move out there; they have a beautiful baby daughter, Abigail. Manuel will be working alongside the pastor of the church, José Luis Gómez, focusing on evangelism and teaching apologetics. José is due to retire in a few years time, and the hope, God willing, is that Manuel will take over as the pastor of the church.

Particular matters for prayer:

- For God's guidance and over-ruling, so that they are able to move to Spain in January 2022.
- For the family to adjust to Spain quickly, and for Pauline as she learns Spanish and Catalan.
- For wisdom for the pastor, José Luis, the elders and Manuel as they begin this new mission work.
