# PRAYER POINTS

*"Create in me a pure heart, O God, and renew a steadfast spirit within me." PSALM 51:10*

## PRAY FOR SCHOOLS

- Let's give thanks for answered prayer that our schools are back to being **fully open to pupils**.
- We want to pray for **pupils being assessed for the next stage of education**. As we await clarification as to how academic progress will be assessed this year, we want to pray for pupils who may be experiencing anxiety over their future plans. Please pray for strength and patience as these processes become clearer over the coming weeks.

## PRAY FOR THE MONTH AHEAD

- **ENGAGEMENTS** - Please pray this month that we will be able to engage with pupils, newly returned to school, in safe and meaningful ways. Pray for invitations to come into schools and pray for opportunities to share God's Good News with pupils across all level of education.
- **RESOURCES** - Please pray for Hannah and I as we continue to develop RE lessons to use in an outdoor context for KS2 pupils. We are really excited to be developing these lessons based around the wonder of God's creation. Pray for wisdom and creativity for us to complete these lessons and that they will be used in schools in the coming months.
- **FUNDRAISING** - As we continue to live in times when large gatherings are still not permitted, we are so aware that our fundraising efforts are curtailed. Could you please pray for fundraising opportunities for E3 North Coast. We are so grateful for new partnerships with individuals giving monthly and if you would like to join with us on this journey we would love to hear from you.

## SCHOOL PRAYER FOCUS

- Join me this month in praying for **North Coast Integrated College** and **St. Joseph's College**.
